

When life is difficult, we can help.

Multi-System Adult (MSA) Program

The Centers is working to support individuals with serious mental illness achieve successful long-term recovery. Through our new Multi-System Adult Program (MSA) we are able to provide essential resources for those who qualify.

To be eligible for the program, individuals must:

- Have two or more psychiatric hospitalizations in a year

AND

- Be in need of or receiving services from at least one additional system of criminal justice involvement, developmental disabilities, aging (over 65), homeless, or veterans

MSA Program Specifics

The MSA program provides up to \$8,000 per individual for essential items such as housing costs, utilities, food, clothing, transportation, and child care as needed for recovery.

MSA program participants do not need to become clients of The Centers.

The MSA program team will work with case managers and community agencies to submit the paperwork on behalf of the client.

With questions or to learn more about the program, please email MSA@thecentersohio.org.
