Adopt-A-Family

Bringing Holiday Cheer To The Centers' Families

Adopt-A-Family, a treasured tradition, helps to reduce a significant financial burden by providing basic needs, winter clothing, household items, and holiday gifts.

HOW YOU CAN HELP

Volunteer:

Looking for a rewarding experience for your employees this holiday season? We invite donors, stakeholders, community agencies, and corporate partners to participate. We have hundreds of items that require inventorying and sorting prior to being gifted to our clients for the holidays - and we could really use your help!

Volunteer teams are being scheduled 12/2 - 12/16 with two shifts available during the weekday, 9am - 12pm and 1pm – 4pm. **For questions or to volunteer contact: Matthew Pierleoni, Development Coordinator at Matthew.Pierleoni@TheCentersOhio.org**
